## **Namus Zöhrabov & Olga Aliya Zöhrabova of Baku, Azerbaijan ...**

**W**orld-renowned dancers, choreographers and instructors are highly sought after artists of the dances of Azerbaijan. Both Namus and Aliya were principle dancers with the State Dance Company of Azerbaijan over the past 30 years, and Namus was also a member of the State Dance Company of Dagestan. They trained at the State Ballet School of Azerbaijan, and Namus tutored there. Their rich cultural heritage of dance combined with their knowledge and expertise of Western dance forms brings a powerful force to the stage and classroom. Their careers have led them to bring their art to the United States, and both were settled here by 1997. Audiences throughout the world have praised their concerts, and many students have benefited from their classes.

Please join us as they share their dance legacy with us in a two hour workshop, featuring choreographies and dance techniques from Azerbaijan and the Caucasus.

For more information on the dancers, please go to the artists' website at [www.azerbaijandance.com](http://www.azerbaijandance.com); [www.katyafaris.com/events.htm](http://www.katyafaris.com/events.htm) and [www.aacef.org/srbiu/index.html](http://www.aacef.org/srbiu/index.html)
